

The Youth Rally

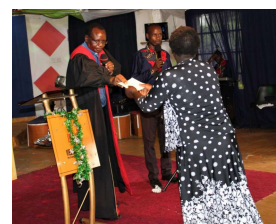

It was another great weekend here at Imani Ministries as we were honored to host a youth rally. The one day event aimed at bringing youths from different churches within the region together to discuss various issues affecting them. Among the topics discussed were; purity, drug abuse, sexuality, social media and music. In the contemporary world, the youth are often left to their devices and bringing them together to learn and be counseled on how to live according to God's standards is an opportunity Imani Ministries' could not miss during this period that youths are at home because of the Corona Virus pandemic.

BAPTISM

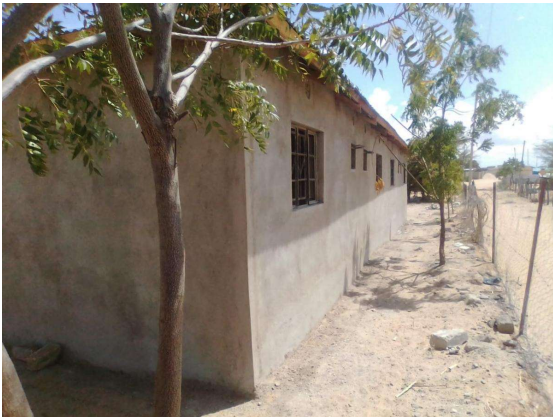

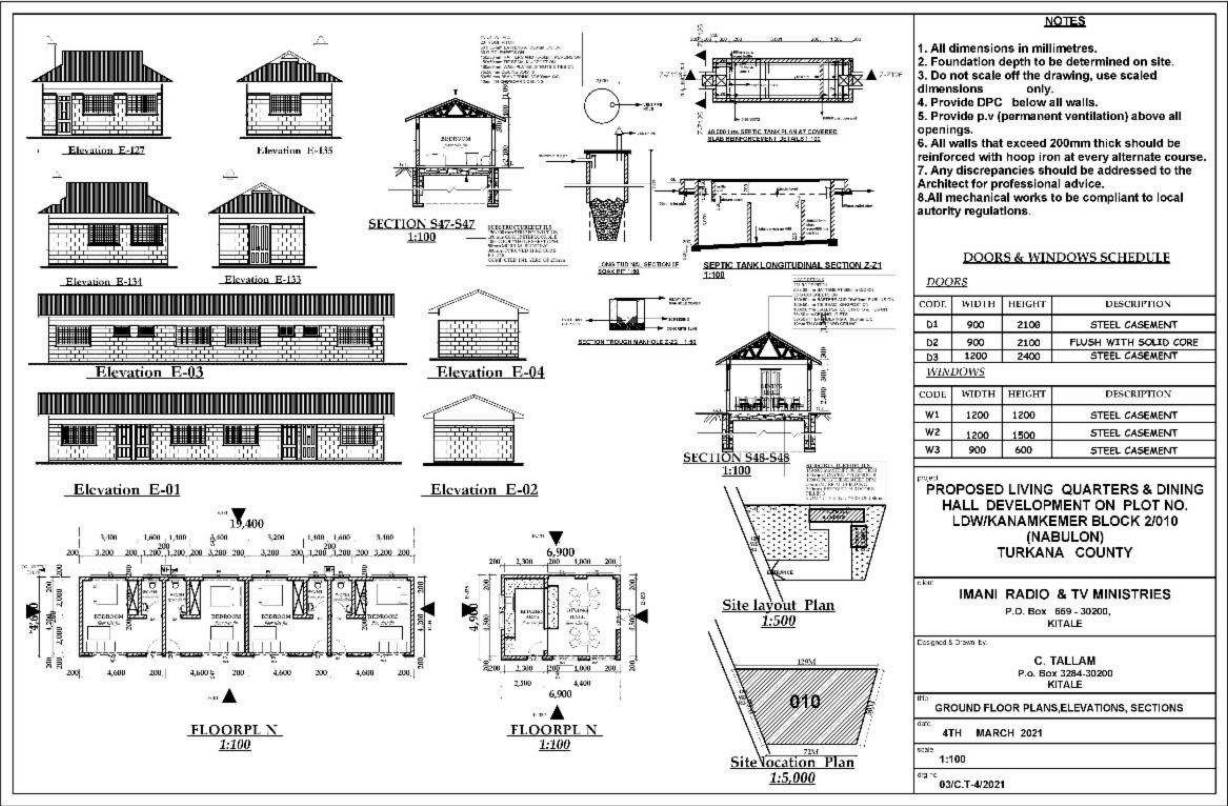

On Sunday morning, Jubilations filled the air at Imani Ministries' during a baptism event that saw new converts officially ushered into the Christian life. The event led by Rev. P. Butaki Director and Founder Imani Ministries began with the word of God. The new converts joined the Faith Church Ministries' members in taking the Lords table. The members received their baptism certificates later on. Baptism marks a very important milestone in the life of a believer.
