

## VIGIL NIGHT

Despite the damp weather that punctuated the night, hundreds of people arrived hungry to listen to worship and listen from God. Songs of praises and worship filled the air as the Imani praise and worship team belled their hearts out while the congregation followed along as they danced for the Lord with joy and in anticipation of His move.

The theme of the vigil night was from the book of 1st Corinthians 3:16 *“Don't you know that you are the temple of God and the spirit dwells in us”*, which was powerfully preached by Bishop Kagiri. The message came at such an appropriate time such that every time the room was filled with rapturous applause and shouts of “Amen!” Bishop Kagiri encouraged the congregation to pray, asking God for forgiveness and recommitting their lives to His service as they turn back to God. He urged the congregation to turn away from being lukewarm in service and renew their passion and commitment in Christ.

After the word, intercessory prayers were offered on behalf of Imani Ministries, Partners, the Church, the Nation and the body of Christ worldwide. We also made an urgent prayer for God's intervention in many areas of people's lives in Kenya and across the world during these last days.

In the wee hours of the morning, many listeners, viewers and *Kesha* attendants gave powerful testimonies of how God had moved in their lives through the ministry of Imani. **Read their testimonies elsewhere in this newsletter.**

## ANSWER TO PRAYER

Pastor Emmanuel from west Pokot expressed his gratitude to the Almighty God for strengthening him in faith and answering his hearts desires to serve Him.

“I had been praying for a breakthrough to start a ministry of evangelism, and winning souls to Christ. It has always been my desire to minister to people, especially the young generation and empower them with his teachings”, he narrates. He quoted from the book of Mark 9:23 that say “Everything is possible for him who believes”, and says that God responded to his desires and passion by leading him to plant a Church. “After a long time of believing and trusting God to actualize these dreams and desires, accompanied by consistent prayers by men of God from Imani Ministries, I can testify that God answered my prayers and now I have a church with many souls coming to Jesus”.

## HEALED THRO' PRAYER

God's word is like refreshing rains that waters crops bringing life to plants as it does to the hearts of men and women. As it is written in the book of Isaiah 55:11 *“as mv word that aoes out from mv mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.”*

The manifestation of this scripture was witnessed during the vigil night where Simon testified of God's immense mercy and healing upon him while he was incapacitated with sickness.

“I was battling with stomach ulcers for long and one day I switched on Imani radio and heard that there was going to be a vigil night at Imani chapel. I am always reluctant, but this time I took a bold step and attended the vigil night. I was in pain but kept on believing and trusting in God's healing.” Simon testified.

Simon got divine healing and was up on his feet again during the service. “I was healed completely and am free from pain.” He went home a healthy person and since then, his health was fully restored and was motivated to come and testify in this vigil night. We give glory to God for these and many testimonies that we continue to receive.
