

KESHA; 10 PEOPLE GIVE THEIR LIVES TO CHRIST!

Despite the damp weather that enveloped the night, hundreds of people flocked into Imani, longing for the Word and to experience God's move and presence. The session began with interceding for families, Imani family and her partners, the Church, Kenya and all Nations.

Praise and worship team sang songs of praise and worship filling the sanctuary as the congregation joined in singing with joy and glory to God.

The theme of the *Kesha* was from the book of Philippians 4:13 "*I can do all things through Christ who strengthens me*", which was preached by Pastor Hosea. Pastor Hosea encouraged the congregation to be bold in their salvation, living each day as daughters and sons of God, denouncing the devils' wicked plans. The chapel was packed to full capacity with people from all walks of life each declaring that no weapon sent against them, their families and Imani radio and TV ministries shall prosper. After the sermon, an alter call was made and 10 people gave their lives to Christ.

AN INTERCESOR WHOM GOD DID NOT DISSAPPOINT

Damaris testifies that her prayer for the last *Kesha* was for more and more people to get saved. With 10 people getting saved in the vigil night, she testifies that God had heard her prayers. Jesus said "I will build my church and the gates of hell will not prevail". I thank God today because I have seen his faithfulness. Damaris is blind and also partners with Imani.

IMANI HAS BLESSED ME SO MUCH

Joshua who is also blind testifies that through the programming at Imani radio, he has grown in his spiritual life. "I have been continuously blessed with the programming at Imani radio and each time I tune in, I am blessed with the prayers and the teachings from the servants of God. It has impacted me in so many ways and I now appreciate life more, despite my disability".

IMANI WITH WOMEN OF VALOR BLESSES WIDOWS

Imani family and

Faith Church in Collaboration with the Women of Valor visited with the widows in Barberton. The team encouraged and prayed with them following the biblical teaching on helping widows and orphans. Despite the heavy rains in the county, the hundreds of widows from the region congregated to listen from the servants of God.

The main theme was "Let us spread the love of Christ". The Guest speaker, a widow herself, encouraged the ladies on depending on God alone who will in turn bring destiny helpers. She quoted from the book of Psalms 68:5-6 and Isaiah 54:14 which was all about caring for widows, forgiveness and surrendering to God in all areas of one's life. Additionally she attests that for the 32 years she has lived as a widow, God has always been faithful in her life.

When the alter call was called, more than 30 souls gave their lives to Christ. The session which was led by Rev Ptallah Butaki came to its peak with the dedication of lives and the issuing of bibles to the women who gave their lives to Christ.

The climax was giving out clothing and footwear to the women whose spirits were lifted up, filling them with hope.

One woman confessed that she has never gotten an eternal gift before and the bible that she received was her most treasured gift. While another one brought a torn bible and wanted a replacement of the same. She was not disappointed either as she got a replacement. In the end, all of us learnt a lesson from these that we must keep trying to give hope to the people in this world who pass through hardships. It is our vow that as long as we have voices, we will keep reaching out to the lost with love and the message of Christ.

PRAY FOR IMANI

As we do all these exploits for the Lord, the enemy is not happy and he is fighting back. Last Friday through Monday, because of the storms and floods in West Pokot where our transmission tower is, we had no power and were running on generator. When the power came back on Monday, there was a huge power surge that destroyed our transmitter. The main power board and drive were hit badly and need replacement. Please, pray that God will provide. We need \$1,200 for both parts. Thank you for being a blessing to this ministry and for regularly praying and interceding for us. May God bless you richly.
