

UPCOMING VHM PASTORS TRAINING CAMP DECEMBER 2019

Greetings in Jesus name

By God's grace the first week of **December 2019** we will have our **12th** Pastors Training Camp. For 12 years now we are bringing pastors and church leaders from different denomination for training and equipping them for the ministry God has called them to do in villages.

This program have been uplifting and encouraging many pastors since most of them they don't get any other training to learn and be shaped apart from this program. We are very grateful for the last 11 camps we did for all 11 years ago. We are looking forward for great camp for pastors this year **2019**. It is going to be a year of **life changing** for each pastor who will attend this program.

Above are some of pastors listening careful the teachings during the Pastors Training camp 2018

It is always good to see pastors from different denominations coming together out of their denomination boundaries to learn and work together as brothers in Christ. Many denomination were presented in this one week training camp **2018**.

One of the subject was taught and being emphasized in 2018, was the Power of Unit among the ministers of the Gospel. This is the topic that we will not stop teaching pastors until Jesus comes because it was Christ's prayer to His disciples that they may one just as Christ and God they are.

We are praying that this training this year as from the first week of December will be a moment of servant of God to come and learn many things from the speakers we have prepared. The pastors will get an opportunity to know one another better and interact across their denomination boundaries. We are praying that the Lord will provide all we need to make this training camp very successful. We would like to feed the pastors very well, we want to send them back with cloths for those who are in bad shape. We would like to buy and give bibles for the pastors who does not own any bible.

We believe and expect great things to happen in this training camp.

Please stand with us in Prayer.

In Christ

Pater and Patience Mitimngi & VHM Team
