

**Dear Scott and faith Radio Family.**  
**Greetings in Jesus name,**

We are very grateful to have you as our ministry partners in advancing the kingdom of God.

We thank God and you for ongoing support you have been sending to us to help us push the work of God in Tanzania and Africa.

About ten years ago, 2007, God spoke to my wife and I to start a ministry called Voice of Hope Ministries to reach people who are neglected and oppressed by the power of darkness in villages. We are very thankful to God and to all people that God has used them to push this ministry beyond our thoughts and our understanding.

For these ten years by God's grace we were able to go to many villages and bring many people in the kingdom of God.

We have done so many trainings and teachings in many places and many lives has been transformed as a result of this ministry.

# THE EXPANSION OF OUR MINISTRY AS FROM JANUARY 2018.

As you may have seen the numbers of the respondents above, there is a great need for sound biblical teachings. Many people are hungry for the word of God.

After ten years of ministry, as we saw the need to receive the word of God increasing, God spoke to us that the time to expand our ministry has come. From end of January 2018 we will be launching a new extension of our ministry which is Warehouse Christian Center – WCC.

The main objectives of WCC are:

***1. To provide a sound biblical teaching to different people according to their needs.***

- Couples teachings and trainings
- Youth teachings and trainings
- Family teachings and trainings.
- Leadership teachings and trainings
- Other general teachings and trainings for spiritual life formation.

***2. Counseling Ministry***

- To provide one on one counseling services
- To train people who will become good counselor to help people with different challenges.

***3. Prayer and intercession Ministry***

- Praying for people who have different challenges which needs serious prayer.
- To train people to be prayer worriers so as they can pray for their challenges instead of waiting only to be prayed to.

WCC will be a center where by people will be coming to receive different teachings and trainings in weekly bases.

Every week we will be running three to five programs in the center and all the teachings will be recorded and be aired same teachings in TVs, Radio starions and in social media like You Tube, Watsap etc. where hundreds thousands people are expected to learn through this way.

From the center we expect about 2000 people will be attending the program every week that is about 8,000 in every month in this one location. For the beginning we will be renting the facility which will be used to run these programs although it is very expensive, but it is our prayer that as we move on with this ministry we will be able to buy our own land and build our own permanent center which will be a life change center.

This is a very big step for our ministry and we are trusting God that through this new ministry extension many people will hear the gospel and their lives will be transform for God's glory.

We are asking you to join us in prayer for this program to take off in January 28th, 2018.

Many people have already signed up to attend the launch of this program. We are still far behind of our budget. We are asking you to pray for us so as to meet our budget before the day of launch.

Our budget is \$30,000 which will cover renting the facility main hall and offices for the first three months, electricity and water bills, training materials to begin with, Sound system, general logistics, adverts, stipend for some full time workers at the center, etc.

Please pray for us for God's provision.

It is going to be a great place for people to encounter with God's presence.

God bless you

In Christ

Peter and Patience Mitimngi and the VHM & WCC Team
