

Dear Scott and Brenda Beigle and Faith Radio Listeners,

Greetings in Jesus name!

We are praying for your health

Warehouse Christian Center (WCC) is a brunch of Voice of Hope Ministries – VHM.

We launched WCC at the end of January, 2018. It is only few months since we started but the outcomes is amazing.

What we see and experience it is not normal. God is really working through this move.

From January to now we have been receiving people from different places who are coming to receive teachings and spiritual healing at the center.

We have received several people who were prostitutes now they have received Christ and they are the process of transformation.

We have people who were practicing homosexuality, they came and confess and receive Christ as their personal savior.

Every week we have people who comes for the first time to receive Jesus Christ.

WCC is a center whereby people are coming to receive different teachings and trainings in weekly bases. Every week since then we are running three programs in the center and all the teachings are being recorded and be aired in TVs, Radio stations and in social media like You Tube, WhatsApp etc. where hundreds thousands people are learning through this way. Right now there are over two million (2,000,000) people who are watching these teachings on YouTube alone.

In Africa People are thirst and hungry for the word of God. From the time we launched this new program people attend the teaching and trainings three times a week. We receive total **1600 people** weekly for teachings and trainings. Among the people who comes every week, some of them are non-believers who are invited by their friends to attend the teachings. When they come to our program we also share the love of Jesus Christ and we challenge them to consider receiving Jesus Christ as their person savior. The response is very good every week at least the total of **50 people** who comes for teachings receives Jesus as their savior.

OUR URGENT REQUEST:

Right now, we are running these teachings and training weekly from the rented facility. We are paying \$1 600 weekly for us to use the venue three times a week.

This means we are paying **\$6400** per month to be able to use the facility in specific hours not all the time we want.

This is a lot of money for the new ministry like WCC.

We have found a good facility 4 hectors that we can rent so as we can run our programs in freedom 24/7.

This facility has offices already, main hall that we may modify and use them for our programs. The hall can accommodate 2000 people at a time.

There is a big open space outside that we can develop as we want. Although it is a rented place, the landlord has given us freedom to put anything we want to fit into our vision. She said she is renting the facility for now but whenever we are ready to buy it she will finally sell the facility to us so as we may be the owner of the facility in future.

Above photos is the facility that we have found, and we really want to get this place even for renting as we are getting ready to buy it in future God willing.

There are several people who have money in cash they want to buy this place, but the landlord she is non-believer, but she has given us the priority, if we fail then she will sell it to other people who wants to buy it even now.

Because the facility is going to be used for God's purposes she has reduced the rent from \$5000 per month to \$3250 per month and she wants a one-year rent in advance which is **\$39,000** per year.

We love the place because:

- it is in a good location easy to be reached.
- It has a big space for expansion development of our ministry it will be very good to us.
- With this facility we will be free to do more service with different groups.
- We will plan and use the facility 24 hours for:
 - Prayer meetings
 - Teachings and trainings
 - Bible school for pastors who have never gone to bible school.
 - Nursery school to raise Godly children and help orphans who does not have any help.
- This place will be a counseling center for many people who needs counseling form the right people.
- This place will be a CARE center for different needs of the community.

We would really want not to miss this facility.

We believe once we have paid that one year rent we will begin the discussion with the land lord about selling it to us.

IT IS OUR HUMBLY PRAYER AND REQUEST THAT YOU HALP US ANY HOW AS THE LORD LEADS YOU TO CHANGE THE LIVES OF MANY WHO WILL MEET JESUS AS A RESULTS OF THIS FACILITY.

The land lord she has given us one month to pay the rent, If we fail to pay her in one month she will sell it to other people who are waiting.

I KNOW YOU HAVE MANY COMMITMENTS ON YOUR TABLE BUT PLEASE CONSIDER OUR SPECIAL NEED FOR THIS TTIME.

In Christ
